

PRIMARY IS TO STAY

Mr. H. St. George Tucker Says It Can't Be Abolished.

TAKES GREAT INTEREST

Will Go Home to Vote and is Trying to See that Democrats Win in His County of Rockbridge.

The Times-Dispatch Bureau, No. 147 G Street, N. W., Washington, D. C., October 22d.

Hon. Harry St. George Tucker, dean of the Columbia University Law School, in this city, said today that he was convinced it would be a long while before the Democrats of Virginia would be willing to give up the primary method of choosing candidates for office. Mr. Tucker has within the past year been over a large portion of Virginia as the representative of the National Education Board.

"I know what I am talking about when I say that the people of Virginia are overwhelmingly in favor of the primary method of selecting candidates," he said. "This plan will have to be modified, I think. The viva voce feature is unpopular, and deservedly so. The next State Convention could eliminate that. But the principle of popular choice of candidates is here to stay, certainly until it has received a full and an absolutely fair trial. I have no idea that any attempt to abolish it could succeed until such a trial has been given it."

Mr. Tucker strongly endorses George B. McClellan for the Democratic nomination to the Presidency, provided he carries New York. McClellan, he said, is a man of my acquaintance—cultured, an experienced public man, a student of men, a man with whom politics is a science and not a trade or an art. You will find George B. McClellan carry New York city by a big majority in this mayoralty fight, and you are going to see that he will be one of the strongest, if not the strongest, candidates for the Presidential nomination."

Mr. Tucker, discussing other possibilities, said he would support Mr. Gorman most heartily, but he much preferred to see Mr. McClellan nominated.

HAS NOT RETIRED.

Whatever many people may have thought on the subject when Mr. Tucker left Virginia and came to Columbia University, it is very evident that he has not retired from politics—Virginia politics. He votes at Lexington, and on yesterday wrote to Sir Frederick Pollock, who was present at a lecture to the Columbia Law School on November 2d, that another date would have to be set, as that was election day in Virginia. Mr. Tucker will go to Lexington to vote, and will return the following day in order to be present at Sir Frederick's lecture. He is much interested in the legislative contest in Rockbridge, and having heard that the result was in possible doubt, wrote several letters to friends in the county, urging them to turn out and make the election of Roy G. Mitchell, the Democratic candidate, a certainty.

Mr. Tucker went out to Herndon, in Fairfax county, Saturday, to attend a barbecue and a mass meeting in the town of Herndon, where he will deliver a speech. The crowd at the barbecue, which was held on the 20th, was very large. The people are so much interested in the movement, however, that they will have a basket picnic at the same place on Saturday, and addresses on the subject of road improvement will be made by a number of speakers, including Mr. Tucker. Mr. Tucker says he will not give up his work for the Education Board, though his University duties are quite arduous.

MANY STUDENTS.

Professor W. R. Vance, lately of the law school of Washington and Lee University, has taken up his work at Columbia, and is winning popularity daily among the members of the faculty and the student body. Professor Vance is a Kentuckian, but was educated at Washington and Lee, and taught in the law school there for a number of years, so that he feels almost as though he were born on the sacred soil. He is a young man yet, but has made a reputation as a law teacher. Mr. Tucker said today there would be six hundred students in the law school at Columbia this year.

This reminds me that a gentleman just from Lexington said here yesterday that the number of students matriculated at Washington and Lee this year was already greater than in any year since the death of General Robert E. Lee, then president of the institution. The number of students in the Virginia Military Institute this year is also unusually large.

W. Bloom, editor of the New Paris (O.) Mirror, in conversation last night, admitted that the Democrats would make considerable gains either in the Legislature, should he be elected to the Senate. He admitted, however, that Mr. Clark and his friends were making a most vigorous fight. He thought Herrick would defeat Johnson for Governor by a large majority. He thought that there were plenty of people who would say he would make the Democratic presidential timber.

Right Rev. R. A. Gibson, Bishop of Virginia, arrived here Tuesday to attend the Pan-American Congress of Protestant Episcopal bishops.

Hon. James D. Richardson, grand master of the Scottish Rite Masons, Southern Jurisdiction, who in his address before the Supreme Council of the Thirty-third Degree Masons, Monday night, recommended that no intoxicants be used at any public banquet of the Order, was toastmaster at the banquet of the Royal Order of Scotland at the New Willard Tuesday night. While not a part of the Ancient and Accepted Scottish Rite of Freemasonry, the Royal Order of Scotland in the United States is composed almost exclusively of Scottish Rite Masons and the annual meeting is held at the time and place of the meeting of the Supreme Council.

Mr. O. A. Hawkins and Mr. J. F. Mayer, of Richmond, were at the banquet. Lieutenant-Commander J. T. Newton has been ordered to report for duty at Newport News as inspector of equipment of works of the Newport News Shipbuilding and Dry Dock Company. John G. Davidson has been commissioned postmaster at Millboro Springs, N. H.

Among the Richmond people here are Eugene W. Lipscomb and wife, Richmond; D. W. Watts and wife, Portsmouth; V. L. Fowles, South Boston, stopping at the Metropolitan; R. G. Walden and W. J. Payne, Richmond; Frank Harrison, Norfolk; C. C. Hyatt, Jonesville, at the Raleigh.

REPUBLICANISM IN VIRGINIA.

Virginia Democrats seen in Washington this week do not expect over a dozen Republicans to be returned to the Legislature this fall. There are said to be only about thirty Republican nominees in many of the counties where the party did decide to make a fight there was not and is not a show of winning. The declaration made by Representative Slomp last May, and printed in this correspondence, that a Republican candidate would be put up in every county in Virginia, has not been one-third fulfilled, viewed as a prophecy. I have met a number of Virginia Republicans in recent weeks, who are confessedly dissatisfied at the showing of strength the party has made this fall thus far.

It was the thought of many Democrats that the elimination of the negro from the electorate would cause the whites to vote the Republican ticket in larger numbers, but there has been no indication of any intention of the white voters of Virginia to desert the Democratic standard.

A Tazewell county Republican said recently that he believed the Republican vote in Virginia would hereafter be reduced by exactly the number of negroes disfranchised—"dehorned," they call it. There should be one thousand negro Republicans in Tazewell county. The new Constitution left eighty.

GOOD MATRICULATION. Dr. H. B. Frisell, the superintendent of the Hampton Normal and Agricultural Institute, is at the Raleigh. Dr. Frisell said the institution now has 1,200 students, a larger number than at any time in its history. The majority of students are negroes, but there are a few Indians matriculated.

The scheme of instruction centers entirely upon agriculture and related in-

dustry. "We teach things by teaching the student how to do them," said Dr. Frisell. "Every graduate of Hampton is a practical farmer or a theoretical farmer. The good effects of the instruction which we give the negro is seen in Tidewater Virginia contiguous to Hampton. In thirty counties of that region fully ninety per cent. of the negroes own their own homes. The negroes of that section of Virginia are self-supporting, and therefore self-respecting. There is very little trouble caused the whites by the black men of that section of the State."

EDUCATION IN SOUTH. Dr. Wallace Buttrick, secretary of the General Education Board, which is working chiefly in behalf of education in the South, is also at the Raleigh. He says the Southern States are doing more in the way of furnishing good school facilities than they have ever done before. North Carolina appears to have led in the movement, and now the people of Georgia are to vote on amendments to the Constitution, permitting local taxation for school purposes. Dr. Buttrick made the surprising statement that the system of secondary schools in Mississippi is the finest in the South.

HANDSOME PAINTING.

The beautiful and elaborate painting by Mr. George B. Matthews, of this city, son of Mr. James Matthews, the dean of the Richmond bar, has just been placed in St. Peter's Catholic Church, of Mt. Clemens, Michigan. The picture was the gift of Mrs. Flora Adams Darling, of New York, and was given to the church as a memorial to her son, Edward Irving Darling, the well known composer, who died at Mt. Clemens while there in search of health. The occasion of the unveiling of the picture was a great event. A large crowd was present, and addresses were made by prominent prelates and others. The presentation was made by Hon. Edward Weeks, former member of Congress.

The painting is a very large canvas. It was on exhibition in New York for some time and attracted the widest attention, and elicited many encomiums from the art critics. The artist is a brother of Mr. W. B. Matthews, a leading lawyer in New York, and has painted the portraits of many men of national distinction.

FULTON RIOT CASES WERE POSTPONED

The case of the Commonwealth vs. A. B. Jordan, one of the alleged Fulton street rioters was postponed yesterday in the Hustings Court and set for November 16th on motion of Mr. L. O. Wendenburg, of counsel for the accused, on account of the absence of his associate, Mr. R. H. Talley.

Earnest McDowell was tried yesterday and acquitted of the charge of throwing rocks at cars during the recent strike. The cases against Mullen and Cates, who were charged with the same offense, will be called in the Hustings Court today.

RECEPTION TO REV. MR. GRAVATT

Congregation Celebrates His Anniversary and Gives Him Handsome Presents.

The tenth anniversary of the rectorate of the Rev. J. J. Gravatt, of the Holy Trinity Episcopal Church, of this city, was celebrated Wednesday night by a reception tendered to him and Mrs. Gravatt in the parish house of the church.

The large Sunday-school room was beautifully decorated with flowers, and the congregation, together with other friends, including many clergymen of the city, attended in large numbers to offer their congratulations to the beloved rector of Holy Trinity. The occasion was marked, besides, by the presentation to Mr. and Mrs. Gravatt, among other valuable gifts, of a complete chest of table silver and a handsome mahogany china press. The presentation address was made by Major J. H. Capers, of the vestry. Mr. Gravatt was deeply affected and thanked his congregation for this evidence of their love and esteem.

THE DAILEY QUARTETTE

Line Concert at Main Street Station Y. M. C. A.

The celebrated Dailey Quartette of Buffalo, N. Y., gave a superb concert at Main-Street Station Y. M. C. A. Hall. A large crowd was present and the singers enthused the audience by their magnificent rendition. The company is composed of Mr. J. G. Dailey, his son and his two daughters.

Their voices are naturally sweet, well modulated, excellently trained and charmingly blended. "The White Night," a railroad song, composed by Mr. Dailey, was especially enjoyable to the railroaders present. The programme was artistically varied and delightful in every way. The quartette will sing it again at the men's meeting at the Main-Street Station at 3 o'clock Sunday afternoon and also at the mixed meeting beginning at 4 o'clock, when both ladies and gentlemen will be admitted.

A DARING FEAT

A Professional Paint Painter Will Undertake to Paint Berry's Flag Pole.

To-morrow (Saturday), at 10 o'clock sharp, a hazardous and daring piece of work will be undertaken by a professional spiral painter. He will ascend the two-foot flag pole on the top of O. H. Berry and Company's building for the purpose of applying a new white coat of paint. No climbing spurs or any similar appliances will be used. The painter will ascend in a boatswain's chair, attached only to the three-eighths inch flag cord. This pole is by far the highest in the city. No doubt a large crowd will witness the undertaking.

Fast and Furious Tennis.

Richmond College students are putting in all the time possible with tennis, the courts being full every afternoon until it is too dark to play. The men are going for the championship of the city on Field Day next spring. Messrs. Handy and Woody appear to be favorites to those who are going to watching the winners of a fight so far in the future.

The meetings at the college for students, conducted by Dr. Curtis Lee Laws, continue with increased interest. Evening meetings are being held from 7:30 to 8:30, and one lecture period each morning is suspended.

Sick at the Hospitals.

Mr. Isaac Diggs, at the Memorial Hospital, with appendicitis, was reported better yesterday. Dr. C. Dejeux, son of Dr. W. T. Dejeux, recently operated on by Dr. John Davidson, at the Memorial Hospital, is improving.

Will Form Auxiliary.

At a meeting to be held Sunday afternoon at 4 o'clock at Beth Abna Synagogue a ladies' auxiliary association will be formed. An address will be given in the congregation, as well as those of other congregations, are invited to be present.

THREE BISHOPS TO BE PRESENT

Distinguished Episcopallians to Be in Richmond Next Sunday.

Among the Episcopal churches of the city Sunday next will be observed as missionary day. The occasion was arranged for this time in order that some of the missionaries who will attend the conference in Washington, can be secured for addresses. Bishop Van Buren, of Porto Rico; Bishop Mann, of North Dakota, and Bishop Horner, of Asheville, and the Rev. Dr. Pott, of China, have consented to come, and one will speak in each church during the day. A special feature of the service will be one for children at St. Paul's Church in the afternoon, to be addressed by Bishop Horner and Dr. Pott.

The following is a list of the churches with preachers and the time of holding them: Morning—All Saints, Bishop Mann; St. James, Dr. Pott; St. John's, Bishop Horner; St. Paul's, Bishop Van Buren. Afternoon—Holy Comforter, Bishop Mann; Monumental, Bishop Van Buren; St. Paul's (children's), Bishop Horner and Dr. Pott.

Evening—Christ Church, Bishop Van Buren; Grace Church, Bishop Mann; Holy Trinity, Dr. Pott; St. Andrew's, Bishop Horner.

These services will be held, of course, at the usual hours for service in the several churches. That of St. Paul's will be at 4 o'clock.

"KOSHER" SUIT IS WON BY THE DEFENDANT

It was inadvertently stated a few days ago that the suit of Shneur Zalman Gravit, of the Law and Equity Court for \$5,000, had been decided by Judge Ingram in favor of the plaintiff. As a matter of fact, the judge on that occasion only overruled the demurrer of the defendant and allowed the case to come to trial. It was disposed of yesterday by Judge Ingram under the provisions of the court, finding for the defendant.

Mr. Minfree Polkes represented Mr. Gravit, and the interests of Mr. Shneur Zalman Gravit were looked after by Mr. Alfred E. Cohen. The case is a most unique one. S. Shneur Zalman Gravit, a Russian Jew, who on December 4, 1902, two four-quarters of a year which was not slaughtered and prepared according to the formula of the orthodox Jews, thereby injuring the trade of the plaintiff, his customers refusing to patronize him because he offered for sale non-kosher meat.

There were a number of witnesses, and those of them who were orthodox Jews, were sworn on the Hebrew Bible.

FAILURES OF ONE DAY

Another National Bank Has Suspended.

THE FIRST OF ALLEGHENY

Its Connection With Pittsburg Institution Cause of Failure—Acme Har-vesting Company Has Gone Under—Big Liabilities.

(By Associated Press.)

PITTSBURG, Pa., Oct. 22.—Following the suspension yesterday of the Federal National Bank, Pittsburg the First National bank of Allegheny failed to open its doors for business today and its directors have notified the Comptroller of the Currency that the institution has gone into voluntary liquidation and requested him to take the necessary action in such cases.

For some time, the Allegheny Bank has been connected by rumor with the Federal National Bank, but it was believed up to late yesterday that it would weather the storm, notwithstanding the heavy losses made on it, brought about by these rumors.

The directors, however, at a meeting last night, decided that considering the best interests of all concerned, the action noted above, should be taken.

By a vote of the Stock Exchange, it was decided that for the balance of the week, no bank or trust stocks will be dealt in.

The suspension of the Allegheny Bank, which has been the representative of the Federal National in the Clearing House, is upon the assets of the bank, generally an almost necessary sequence of the failure yesterday and believe that no further trouble will follow.

At 3:30 o'clock this morning, Vice-President R. J. Stoney, Jr., of the First National Bank of Allegheny, issued the following statement after a meeting of the officers and directors with the Clearing House Committee of the Pittsburg Clearing House Association, which lasted from 8 o'clock last evening until 3:30 o'clock this morning:

"Allegheny, Pa., Oct. 21, 1903. "At a meeting of the Board of Directors of the First National Bank of Allegheny, held this evening, October 21, 1903, it was resolved that, although the bank has ample assets to pay all of its depositors in full and leave a handsome surplus for the shareholders, yet its supposed connection with the Federal National Bank of Pittsburg has created wide distrust and caused a run on this bank to such an extent that we feel it to be out duty to place the bank in voluntary liquidation, and the officers of the bank and the directors have decided to make application to the Comptroller of the Currency to take necessary steps to accomplish this purpose." (Signed.)—JOHN THOMPSON, "President."

The First National Bank of Allegheny was organized in January, 1884, and has a capital stock of \$500,000, a surplus of \$100,000 and undivided profits of \$85,000. The officers of the bank are as follows: President, John Thompson; Vice-President, R. J. Stoney, Jr.; Cashier, E. R. Kramer; Assistant Cashier, John D. Kramer.

The First National is one of the oldest banking institutions in Allegheny.

Must be Examined. WASHINGTON, D. C., Oct. 22.—The Acting Comptroller of the Currency today said that an application to go into voluntary liquidation cannot be considered until the bank has been officially examined and its condition ascertained.

THEIR BUSINESS TOO LARGE

This Given as the Reason for Embarrassment of Harvester Company.

(By Associated Press.) PEORIA, ILL., Oct. 22.—The Acme Harvester Company, one of the largest manufacturers of agricultural implements, has been forced to place its affairs in the hands of a committee representing the creditors and ask an extension of time.

The assets of the company, it is asserted, are nearly four million dollars, and considerably in excess of their liabilities. The company employed several hundred men, and their business was not confined to this country, but they had a large trade in South America.

The reasons assigned for the embarrassment, are a bad season, bad collections, and doing a business that was unwarranted by the capital of the concern.

Will Resume Business.

(By Associated Press.) CHICAGO, Ill., Oct. 22.—E. J. J. D. Morgan, of the First National Bank, said today according to the committee's estimate the assets of the Acme Harvester Company are worth between \$2,000,000 and \$3,000,000 more than the liabilities of the concern. The liquidation, he said, will be completed in about two weeks. As soon as the claims are all satisfied, Mr. Morgan said the business will be turned over again to the old management.
